XR3100 Series Premium Compacts

Excel in Your Field™

Hydrostatic transmission models
Maximizes ease of use with effortless, clutchless and instant speed and directional changes with a simple push of the pedals

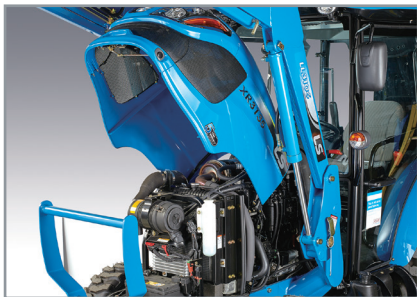

Flat platform
With rubber mat and side mounted gear lever, maximizes space, improves operator comfort, and makes getting on/off tractor easier

PTO switch
Turn the independent PTO on or off with a simple switch

New LS Tier 4 CRDI Engine
Meets EPA's most stringent emission standards while delivering rated horsepower quietly with low vibration

Easy open one-piece hood
Provides accessibility for easy maintenance

2 sets of remotes and detent function standard
Adds functionality and improves ease of use by allowing attachment of hydraulically controlled implements without the high, additional costs like others in its class to add the remotes as options

Your choice of tires
Choose ag, industrial, ag or turf tires at no additional cost

Full function dash panel
Important functional data is available at a glance for optimum performance and control

Deluxe adjustable seat with retractable seat belt and arm rests
Keeps you safe and comfortable even during long operations
