HEAVY DUTY BOX BLADE

HBB6

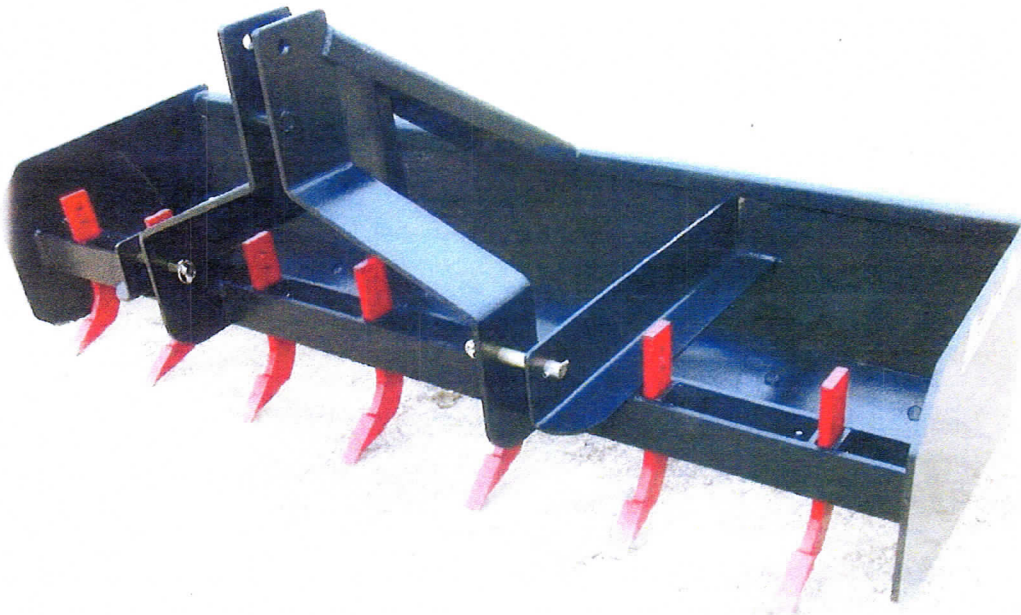

HBB7

HBB8

ArmstrongAg's Heavy Duty Box Blade has 3'8" thick back plate and 1/2" thick end plates. Reversible front and rear cutting edges.

The shank bars are 4" deep to help reinforce the scarifier shanks when digging in hard soils. The weight of the box blade also

helps to increase traction and stability to tractors with front end loaders. Category II 3-point hitch. (clevis type) Cat II QH Compatible
